Salary: base plus commission, negotiable depending on experience
Please send CVs and a letter of interest to talent@progressfilm.co.uk

THE ROLE

In this role, you'll be an integral part of the company leadership team, helping to position Progress at the forefront of the film and commercial industries and a key contributor to the company's creative and financial goals. You will live and breathe our unique company ethos and be able to communicate this - through pitches, meetings and networking - to agencies, brands and organisations to forge new opportunities for our rostered directors and talented, full-time creative teams within the Progress infrastructure. You will manage projects from brief to delivery, being a voice of authority in the production process and ensuring Progress' creative vision is delivered to budget and brief. You'll be a natural and inspirational leader, an authoritative voice that reinforces our brand identity at all times - a true Progress ambassador.

RESPONSIBILITIES

- + Continuing to build Progress into a production agency that wins and services large-name brands and organisations we're proud to produce work for
- + A strong focus on game-changing opportunities across content and commercials, actively seeking and winning work that has a strong emphasis on the company's 'stories that matter' ethos and identity
- + Managing the execution of these projects, from initial budgeting and bid process through to delivery and distribution
- + Seeking out, shaping and developing our roster of directors and filmmakers, ensuring we have the talent to service our client to the highest possible standard
- + Be a leading voice in client account management, ensuring all relationships are maintained effectively and to the exceptional standards we have set over the last 9 years
- + Having an in-depth understanding of Progress' place in the industry and working with the senior team to strategically shape the future of the company

THE IDEAL CANDIDATE WILL HAVE...

- + Bigger picture thinking and the desire to execute real and tangible change in a company environment
- + The ability to find, win and creatively shape work that has the ambition to push the company forward, land awards and change lives
- + A desire to be a key player and authoritative voice, providing strategic vision that directly impacts and influences the company's growth and creative and financial goals
- + A successful pitching portfolio and proven track record of developing agency and client relationships
- + Strong leadership and multi-tasking skills, with a knack for providing constructive feedback, inspiring and developing the careers of directors, producers and creative talent
- + An understanding of current trends in the commercial and advertising industries, with a keen eye for detail and quality - and inherent good taste
- + A discerning eye and gut instinct for game-changing opportunities and acting upon them
- + A personable, affable nature with a lack of ego - we create work together, the Progress way
