## THE ROLE

---

First and foremost, you will be a great editor, understanding the craft of storytelling, enabled by razor-sharp technical ability. You will bring big ideas to your work as well as meticulous attention to detail to ensure every edit is as good as it can be.

You'll have the ability to create films for various genres and formats, whether a graphic heavy 30 second social cut or a 10 minute interview-led documentary, you'll be equally versed and invested in process and challenge.

Finally, you'll be a team player who loves the creative process as part of a growing company.

## KEY SKILLS

---

Excellent knowledge of Adobe Creative Cloud especially Premiere and After Effects.

Great communicator who is flexible and ideas driven.

Production of motion graphics using pre-existing assets in After Effects.

Strong technical understanding of post production workflows and systems.

Strong storytelling ability.

**This role is based in our central Brighton studio. Salary commensurate with experience.**
